

## Financial Tear Sheet

### Corporate Profile

Xunlei Limited ("Xunlei") is a leading cloud-based acceleration technology company in China. Xunlei operates a powerful internet platform in China based on cloud computing to provide users with quick and easy access to digital media content through its core products and services, Xunlei Accelerator and the cloud acceleration subscription services. Xunlei is increasingly extending into mobile devices in part through potentially pre-installed acceleration products in mobile phones. Benefitting from the large user base accumulated by Xunlei Accelerator, Xunlei has further developed various value-added services to meet a fuller spectrum of its users' digital media content access and consumption needs.
