

Hyperledger Adds to its Global Community with 11 New Members

Media Report

Posted on June 27, 2018 *Source: PRNewswire*

Hyperledger, an open source collaborative effort created to advance cross-industry blockchain technologies, today announced 11 new members. The newest members hail from the U.S., Europe and Asia with a major wave of the new members from China.

Hyperledger aims to enable organizations to build robust, industry-specific applications, platforms and hardware systems to support their individual business transactions by creating enterprise-grade, open source distributed ledger frameworks and code bases. The latest general members to join the community are: Beike Finance, BGI Shenzhen Co., Ltd., Bit Game Foundation, Circular, JD.com, Kyra Solutions, Lenovo, NuCypher, Opherium Labs, Shenzhen Onething Technologies and Shenzhen Ultrachain Technologies.
